

Media Designer Digital and Print, in the area of Consulting and Planning

New technologies and new media create new jobs. Since 1 August 2007, there is the possibility of serving an apprenticeship as Media Designer/ in Digital and Print in the sector of Print & Media.

The new field of Consulting and Planning is the successor of the previous Media Consultant and additionally provides marketing competence. Our printing sites mainly focus on a technically-oriented combination of text, image and graphic files for a printing product and on customer support service from incoming data up to delivery of the end product. Technical grasp and background knowledge as well as business skills, negotiating skills and convincing demeanour are important for the job.
